Visitors score new car park

Visitors to Cutcher & Neale will have a fresh home for their vehicles when the new car park opens next week.

The dedicated visitor and staff car park, adjacent to King Street, will open Monday 27 November 2006 and offer two levels of parking with capacity for more than 30 cars.

The visitor and staff car park can be accessed via Athcourt Lane, off King Street, between Bolton and Watt Streets. It will be used exclusively by visitors and staff of Cutcher & Neale.

The double level car park is well-lit with security and has bays specially designed to accommodate larger vehicles and wheelchairs.

Cutcher & Neale Partner Ian Neale said the new parking facilities, were part of the current upgrade to cater for the growth of clients and commitment to our existing inner city location”.

Ian goes on to say “the new parking facilities complement the recent renovation providing visitors and staff with state of the art facilities presented in an accessible and efficient way.

As well as the new car park staff will be able to enjoy a sausage sizzle courtesy of the Westpac Rescue Helicopter for their continuous donations to the service through a weekly Payroll Deduction Scheme. The BBQ will take place on Friday 24 November 2006 at 5pm on level 2 of the new car park.

Cutcher & Neale are proud to be involved with the Hunter’s own Westpac Rescue Helicopter Service.
